A Summary of Fiscal Year 2015-2016 was distributed and reviewed. There were questions about the following items on the Summary:

- b. Fire Protection department not using all their budget for physicals.
- c. Patrol savings in budget this year.
- d. Public Works savings in salaries due to unfilled position – whether that position will continue to be unfilled.
- e. The Town's estimated excess of \$288,300 – how this was collected.
- f. Misc. Revenue up \$22,800 (consisting of revenue that was in a liability line item from town clerk which belongs to General Fund of 14,400.) More clarification requested.

Chairman Geiger requested a reminder for next month's meeting concerning the status of \$33Mil in state reimbursement for school renovation under building expenditures.

David Geiger (Chairman of the Board of Finance) announced his resignation from the BOF effective date immediately following the regular October meeting. With that, the BOF will need to add an agenda item for November to elect new Officers.
